## I Didn't Know Osseo Had A Bookstore!

There's been a bookstore in Osseo for more than 20 years!

Got Books?

Now called A Novel Place® we are a full-service bookstore with thousands of new and used books to choose from.

## Have a Book Fair at your School or Event!

Look to A Novel Place for the inventory and supplies for your next book fair! Since we are not owned by a publisher (like Scholastic), we can provide a wider variety of inventory and complete sets of series. Also, we won't bring in video games or toys. Our specialists will create a custom inventory containing hundreds of titles for each fair. Our selections are based on current reading trends and your input! Benefits to your organization are also similar to the "other company".
